

Product designer

I am a product designer interested in objects within interior spaces and how they influence the perception of an environment. I work through materiality, light, and sustainability, developing functional pieces. My process combines research, physical prototyping, and 3D modeling.

EDUCATION

2007-2022 | Miravalles-El Redín School – General Education (Early Years, Primary, and Secondary Education)

2015-2020 | Laura González Art Academy – Training in drawing and formal perception applied to project development.

2022-2026 | University of Navarra – Degree in Design (Product Design Specialization)

EXPERIENCE

Basketry Workshop | 2022 – Idoia Cuesta
Training in basketry techniques and working with natural fibers.

Exhibition | November 2023 – Bilbao Bizkaia Design Week
Presentation of a packaging design project in the Bilbao Bizkaia Design Week.

Furniture Design Competition | 2025 – University of Navarra × Saltoki
Participation in a furniture design competition in collaboration with Saltoki.

Internship | Summer 2025 – Estudios Pigmento
Involved in ideation and development processes. Support in prototyping and preparation of pieces.

Theatrical Production “Algarabía” (MUN, Abu Dhabi) | 2025-2026 – Props Design
Development and design of scenographic elements to be used in the play Algarabía.

Conceptual Project | 2026 – L’Oréal Brandstorm 2026
Development of a conceptual proposal within an international design competition.

SKILLS | SOFTWARE

3D & Development:	Fusion 360	
	Blender	
Technical Drawing:	AutoCad	
	InDesign	
Editing:	Photoshop	
Prototyping:	Bambu Studio	
Sketching:	Procreate	
Web development:	Wordpress	

SOFT SKILLS

Attention to detail
Critical thinking applied to design
Consistent and well-organized work approach
Team collaboration
Prototyping and testing skills

LANGUAGES

Spanish: Native
English: Upper-intermediate (B2, Cambridge)
